REQUEST FOR CERTIFICATE OF CORRECTION UNDER 37 C.F.R. § 1.322(A)(1)

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In accordance with the duty of candor and good faith requirement towards the United States Patent and Trademark Office, we advise that we believe the Patent Term Adjustment for the above indicated patent is longer than appropriate and request that the Patent Term Adjustment be recalculated.

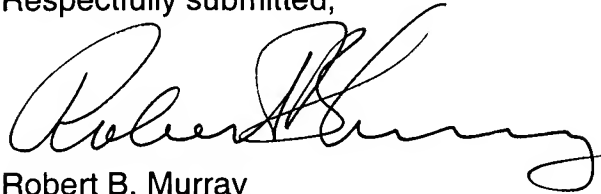

The 'issue fee payment received' is recorded at 12-22-2004; however, 'issue fee payment verified' is erroneously entered as 10-22-2004. It appears that the 10-22-2004 date was used in calculating the 562 day value. According to our calculations, using the correct date, 12-22-2004, results in a Patent Term Adjustment of 503 days.

OCT 21 2005

If the PTO is in agreement with our observations, we request that the attached Certificate of Correction, which changes the Patent Term Adjustment from 562 days to 503 days, be issued.

Respectfully submitted,

By
